I know that running February in New England can be a major challenge. I know I can be faced with all kinds of inclement weather and temperatures can be well below freezing. I hope it is! I realize that anyone can run 20 miles but not everyone can run 20 miles in a winter storm or is willing to run on unplowed bike paths in 4 inches of slush. I am definitely not a weenie! I accept this challenge, and, in consideration of my entry being accepted, I hereby, for myself and my heirs, executors or administrators, waive and release all Rights and claims for damages I may have against Martha's Vineyard Multisport Inc., the towns of Tisbury, Oak Bluffs and Edgartown, Comm of Mass. and any and all sponsors and anyone else on the planet connected with this race for any and all injuries incurred before, during or after the Martha's Vineyard 20 Miler.
